Draft Implementing Technical Standard for Solvency II

Dear Commissioner Hill,

I am pleased to submit to you the draft Implementing Technical Standard (ITS) with regard to procedures for the application of the transitional measure for the calculation of the equity risk sub-module in accordance with Article 308(b) (13) of Directive 2009/138/EC (Solvency II) as well as the corresponding Impact Assessment.

The final report of the public consultation, the consultation feedback, as well as the impact assessment will be published on EIOPA's website.

I am looking forward to the continuous cooperation for the successful endorsement of this standard.

Yours sincerely,

Cc: Olivier Guersent, John Berrigan, Mario Nava, Nathalie Berger
