ANNEX I

(1) Both Annex II and III to Implementing Regulation (EU) 2015/2450 are amended as follows:

- (a) In template S.01.02 the item C0010/R0081 is added immediately after item C0010/R0080 to the instructions as follows:

“

C0010 /R0081	Financial year end	Identify the ISO 8601 (yyyy–mm–dd) code of the financial year end of the undertaking, e.g. 2017-12-31
-----------------	--------------------	---

“;

- (b) In templates S.05.01 and S.05.02 at the end of the second paragraph of the general comments the following is added:
“, except for the classification between investment contracts and insurance contracts when this is applicable in the financial statements. This template shall include all insurance business regardless of the possible different classification between investment contracts and insurance contracts applicable in the financial statements.”;

- (c) In template S.06.02.C0330 the instructions are replaced by the following:
“Identify the credit assessment institution (ECAI) giving the external rating in C0320, by using the following closed list. In case of ratings issued by subsidiaries of the ECAI please report the parent ECAI (the reference is to ESMA list of credit rating agencies registered or certified in accordance with Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies). In case a new Credit Rating Agency is registered or certified by ESMA and while the closed list is not up-dated please report “Other nominated ECAI”.

Applicable at least to CIC categories 1, 2, 5, 6 and 8 (Mortgages and Loans, other than mortgages and loans to natural persons), where available.

It shall however be fulfilled using the lines of business as defined in Annex I to Delegated Regulation (EU) 2015/35. Undertakings shall use the recognition and valuation basis as for the published financial statements, no new recognition or re–valuation is required, except for the classification between investment contracts and insurance contracts when this is applicable in the financial statements. This template shall include all insurance business regardless of the possible different classification between investment contracts and insurance contracts applicable in the financial statements.”;
- (d) In template S.06.03 the third paragraph of the general comments is replaced by the following:

“For the identification of countries the look–through shall be implemented in order to identify the country exposition of 90% of the value of the funds. Undertakings shall have a reasonable confidence that the 10% not identified by country is diversified across geographical areas, for example that not more than 5% is in one single country. The look-

through shall be applicable considering the amount invested, starting from the major to the lowest single fund and the approach shall be kept consistent over time.”;

- (e) In template S.12.01 from the first sentence of the instructions for items C0150/R0320 and C0210/R0320 the following words are deleted:
“where the transitional adjustment to the relevant risk-free interest rate term structure has been applied”;

- (h) In template S.17.01 from the first sentence of the instructions for items C0020-C0170/R0470 and C0180/R0470 the following words are deleted:
“where the transitional adjustment to the relevant risk-free interest rate term structure has been applied”;
- (i) In template S.21.01 the third and fourth paragraph in the general comments are replaced by the following:
“The loss distribution profile non–life shows the distribution, in (predefined) brackets, of the accumulated claims incurred at the end of the reporting year.

Accumulated claims incurred means the sum of gross claims paid and gross reported but not settled claims (RBNS) on a case by case basis for each and every single claim, open or closed, which belongs to a specific accident year ("AY")/underwriting year ("UWY") (AY/UWY). Claims incurred amounts include all the elements that compose the claim itself but excludes any expenses except those attributable to specific claims. Data regarding claims shall be reported net of salvage and subrogation. Historical data, starting from the first time application of Solvency II, is required.”;

- (j) In template S.21.01.C0030/R0010 to R0210 the second and third paragraph of the instructions are replaced by the following:
“In case the reporting currency is in Euros, one of the following 5 base options based on the normal loss distribution can be used:
1 – 20 brackets of 5,000 plus 1 extra open bracket for accumulated incurred losses > 100,000.
2 – 20 brackets of 50,000 plus 1 extra open bracket for accumulated incurred losses > 1 million.
3 – 20 brackets of 250,000 plus 1 extra open bracket for accumulated incurred losses > 5 million.
4 – 20 brackets of 1 million plus 1 extra open bracket for accumulated incurred losses > 20 million.
5 – 20 brackets of 5 million plus 1 extra open bracket for accumulated incurred losses > 100 million.

However, an undertaking shall use undertaking specific brackets, in particular when accumulated incurred losses < 100,000 to guarantee that the level of detail is sufficient to provide adequate insight in the distribution of the accumulated claims incurred, unless already specified by the supervisory authority.”;

- (k) In template S.21.01.C0050, C0070, C0090, C0110, C0130, C0150, C0170, C0190, C0210, C0230, C0250, C0270, C0290, C0310, C0330/R0010 to R0210 the first sentence of the instructions is replaced by the following:
